How Do I Wait For The Bus?

Please wait on the correct side of the road that the bus will be traveling as defined by the schedule. As the bus approaches simply wave to the bus driver who will then stop in a safe location so that you may board the bus.

Although the bus driver will stop for customers along the route, there are certain location that are not safe to stop and are identified as "no stop" zones on the schedule. Please make a note of the no stop zones so that you can find an ideal location to wait for the bus.

How Do I Pay My Fare?

When you first board the bus, place the fare into the farebox. Although paying the fare with exact change is encouraged, you may insert an amount that is more than the required fare.

In such a case, the bus driver will prompt the farebox to issue you a change card which will subtract the required fare and show the balance of the amount inserted. Change cards can be used towards payments of future fares aboard MVRTA buses.

All transactions are administered through the farebox. It is also important to note that bus drivers do not make change or handle money in any way.

How To Get Off The Bus

When you see that the bus is nearing your destination point, you should press the signal tape that runs vertically between the windows to let the bus driver know that this is where you want to get off. Please wait until the bus stops completely before leaving your seat. Then proceed to either the front or rear exit being sure to use the handrail when descending the exit stairs.

While On Board

The following is a set of guidelines and etiquette that we ask of our customers to help ensure that we can provide you with safe and efficient service.

When boarding the bus please take a seat if one is available and remain seated while the bus is moving.

Federal law requires that the MVRTA designate the front seats in the area of the entrance door for use by senior citizens and persons with disabilities if they desire. We ask that you comply with this requirement.

Please listen to instructions that may be given by the bus driver.

Read informational passenger notices that may be posted on the bus. Such passenger notices are posted behind the bus driver's seat. Customer information signs that outline fares and the transfer policy are also installed on buses and run across both sides of the bus.

Proper attire to include shirts and shoes are required while traveling on all MVRTA vehicles. Ice skates, roller blades, and roller skates are not permitted to be worn on the bus and if you are traveling with such items please ensure that they are secured preferably inside a bag or backpack.

State law prohibits any child stroller, package, or other items from blocking the aisle. We ask that you comply with this requirement for customer safety. Please keep your hands and head inside the bus and remain clear of the opening.

Some Simple Rules

Please abide by these rules while on board an MVRTA bus:

- Don't smoke or chew tobacco
- Don't eat or drink
- Don't play a radio, CD player, or tape player
- Don't use loud or offensive language
- Don't be boisterous or push or scuffle
- Don't put your feet on the seats, seat backs, or walls
- Don't leave trash on the bus
- Don't hang out the windows
- Don't bring animals, except for service animals, on the bus
- Don't bring weapons or hazardous materials on board
- Don't bring bulky items which might interfere with the operation of the bus or with the movement or comfort of other passengers

Drivers will ask customers who do not observe the rules to leave the bus. Local police assistance will be obtained if required.
